CONSTRUCTION
Hull and Deck made of fibreglass and polyester sandwich infusion - VacuTec process ■
Hull and Deck in gelcoat white
Gold stripe on hull
Keel in GRP laminated and bonded to hull 4 x Double Hull windows including opening porthole
TX Booble from Windows moleculing opening portrole
RIG AND DECK HARDWARE
Aluminium deck stepped mast, anodised, with two spreaders sets Aluminium boom, anodised
Running rigging
Mainsheet traveller on the aft beam
3 x Lewmar Evo aluminium winches 2-gear, self-tailing in cockpit 2 x Winches handles and pockets
2 x vvincites hardies and pockets
SAILS
Full batten mainsail (3 reef lines), Dacron Self-tacking Solent in Dacron, incl. UV protection stripe
Self-tacking Solent in Dacron, inci. 64 protection stripe
DECK/ STERN PLATFORM
Guardrail on hull sides with stainless steel wires
2 x Forward pulpits with seats in inox 6 x Mooring cleats, aluminium
Anodised aluminium forward beam
Two polyester bow net lashed to hull and front beam
Bow anchor locker and storage
10 x openable deck hatches Aft pushpits
2 x stainless steel handrails on stern
2 x Engine compartment hatches
Foldable bathing ladder on portside
COCKPIT / TRANSOM
Spacious open style cocknit protected by the roof 3 large benches on starboard, portside
Spacious open style cockpit protected by the roof, 3 large benches on starboard, portside
Spacious open style cockpit protected by the roof, 3 large benches on starboard, portside and stern,with storage lockers (portside locker aimed for the liferaft equipment Storage locker in portside (fridge option) Teak grating in HPL teak over cockpit drainage
Spacious open style cockpit protected by the roof, 3 large benches on starboard, portside and stern,with storage lockers (portside locker aimed for the liferaft equipment Storage locker in portside (fridge option) Teak grating in HPL teak over cockpit drainage Double helm station with black silicone covered steering wheels
Spacious open style cockpit protected by the roof, 3 large benches on starboard, portside and stern,with storage lockers (portside locker aimed for the liferaft equipment Storage locker in portside (fridge option) Teak grating in HPL teak over cockpit drainage
Spacious open style cockpit protected by the roof, 3 large benches on starboard, portside and stern,with storage lockers (portside locker aimed for the liferaft equipment Storage locker in portside (fridge option) Teak grating in HPL teak over cockpit drainage Double helm station with black silicone covered steering wheels Two helm seats in inox (no cushion included)
Spacious open style cockpit protected by the roof, 3 large benches on starboard, portside and stern,with storage lockers (portside locker aimed for the liferaft equipment Storage locker in portside (fridge option) Teak grating in HPL teak over cockpit drainage Double helm station with black silicone covered steering wheels Two helm seats in inox (no cushion included) COACHROOF 2 stainless steel handrails on coachroof
Spacious open style cockpit protected by the roof, 3 large benches on starboard, portside and stern,with storage lockers (portside locker aimed for the liferaft equipment Storage locker in portside (fridge option) Teak grating in HPL teak over cockpit drainage Double helm station with black silicone covered steering wheels Two helm seats in inox (no cushion included)
Spacious open style cockpit protected by the roof, 3 large benches on starboard, portside and stern,with storage lockers (portside locker aimed for the liferaft equipment Storage locker in portside (fridge option) Teak grating in HPL teak over cockpit drainage Double helm station with black silicone covered steering wheels Two helm seats in inox (no cushion included) COACHROOF 2 stainless steel handrails on coachroof 2 x openable hatches in coachroof PROPULSION / STEERING
Spacious open style cockpit protected by the roof, 3 large benches on starboard, portside and stern,with storage lockers (portside locker aimed for the liferaft equipment Storage locker in portside (fridge option) Teak grating in HPL teak over cockpit drainage Double helm station with black silicone covered steering wheels Two helm seats in inox (no cushion included) COACHROOF 2 stainless steel handrails on coachroof 2 x openable hatches in coachroof PROPULSION / STEERING Soundproofing in engine compartments
Spacious open style cockpit protected by the roof, 3 large benches on starboard, portside and stern,with storage lockers (portside locker aimed for the liferaft equipment Storage locker in portside (fridge option) Teak grating in HPL teak over cockpit drainage Double helm station with black silicone covered steering wheels Two helm seats in inox (no cushion included) COACHROOF 2 stainless steel handrails on coachroof 2 x openable hatches in coachroof PROPULSION / STEERING Soundproofing in engine compartments 2 x 30hp diesel engines Volvo Penta (Saildrive)
Spacious open style cockpit protected by the roof, 3 large benches on starboard, portside and stern,with storage lockers (portside locker aimed for the liferaft equipment Storage locker in portside (fridge option) Teak grating in HPL teak over cockpit drainage Double helm station with black silicone covered steering wheels Two helm seats in inox (no cushion included) COACHROOF 2 stainless steel handrails on coachroof 2 x openable hatches in coachroof PROPULSION / STEERING Soundproofing in engine compartments

PLUMBING

2 x 54L holding tanks with gauge at the chart table (one per hull)

2 x 300L freshwater tanks

Warm water boiler via engine-cooling, 40L

Freshwatersystem with electrical pressure pump

Indicator for freshwater

Electric and manual bilge pumps in both hulls

Electric bilge pumps in both engine compartments
